### What a Day That Will Be!

*Some years ago Paul Harvey reported that a poll indicated just 27.4 % of the people in this country attend worship services at least once a week. That's slightly more than one-fourth!*

*There are many legitimate things such as illness, health, necessary work, and other things that can prevent us from attending worship.*

*Yet, some seem more concerned with business, entertainment, sports, and "what I want to do" than they are in the precious gift of eternal life offered through our Lord and Savior.*

*Jesus gave His life on the cross for us-In His Word He tells us to live for Him. If you ask, most claim to believe in God-but we must not only believe in God, we must BELIEVE God!*

*Worship is a time to strengthen our faith, grow in knowledge, and learn more about both His love and His wrath.*

*God wants us to worship Him (John 4:23) and we should be anxious to honor and praise Him as we assemble together each Lord's Day.*

*Then we will someday be able to stand around the throne of God and joyfully sing, "How Beautiful Heaven Really Is!" What a Day That Will Be!!*

*"..seek those things which are above, where Christ is" (Col. 1:1)*
